If all my language courses in the past would have this kind of an approach of teaching, I would be fluent in many languages by now! Very intensive course with a lot of additional study materials. Groups are small, both of the teachers are super nice, helpful and they really try to explain to you in that way that you understand. The most important, they encourage you to use the language in everyday situations. I am really looking forward to attend A2 level in December!

Nina, Student of Dutch Academy Eindhoven
